

Amazing opportunity for a licence Nephrologists to practice at busy clinics in the city of Edmonton, Alberta, Canada.

Medigroup Clinics are one of a few clinics in the Edmonton are accepting new patients. Our practice is based on appointments and walk-ins. Medigroup Clinics consist of 25 General Practitioners, 3 Pediatricians, 3 Internists, Cardiologist, Endocrinologist, Psychiatrist, Mental Health Professionals, Dietitians, Diabetic Nurses and very polite and professional front staff.

Medigroup Inc. currently operate five busy clinics in the Edmonton, Alberta. Our clinics are very spacious, modern and use a hassle free, paperless EMR system which allows for work from home. We cater to walk-in patients and also provide family practice opportunities. We also have specialists on site ensuring our patients receive care in a timely manner. Our clinics are open extended hours and flexible hours are also available. Dieticians, diabetic and mental health nurses provide clinical support and are also available for the benefit of your patients.

The current wait times for nephrology referrals are very long and we are looking for a Nephrologist to join our team of Health professionals.

We would like to offer you the opportunity to work in an enhanced practice environment that fits your life style and availability, without investment or administrative time commitments.

**Income:**

The pay structure will be "fee for service". Your expected annual income averaged between \$400,000,00 to \$650,000 plus depending on the number of patients.

**Location:**

Edmonton is the capital city of Alberta, and the province's second largest city. Edmonton is located on the North Saskatchewan River. The population of Edmonton is over one million making it the sixth largest metropolitan area in our nation. Edmonton is a cultural, governmental and educational center. It is the home to North America's largest Mall, West Edmonton Mall and has the largest living history museum. Edmonton is also known for its world class festival experiences yearly, earning it the title of "The Festival City". Edmonton's river valley constitutes the longest stretch of connected urban parkland in North America, and Edmonton has the highest per capita area of parkland of any city in the world.

**Requirements:**

To be eligible by the College of Physicians and Surgeons of Alberta. For more information please visit: [www.cpsa.ab.ca](http://www.cpsa.ab.ca) or send us an email and we will help you determine your eligibility.

Interested applicants must hold an MD, must have completed a residency in Nephrology, and be certified or eligible to become certified as a fellow of the Royal College of Physicians and Surgeons of Canada in Nephrology.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

If you have any questions or concerns please don't hesitate to contact us.
